Sir:

I, **Robert HOULE**, do hereby solemnly declare that:

(1) I occupy the position of Office Administrator, Patents and Trademarks, at Ogilvy Renault.

(2) All documents received by facsimile and/or mail from the USPTO are reviewed for deadlines and the deadlines are entered into our Jurivox deadline diary system by staff members of Ogilvy Renault who are under my supervision.

(3) An Office Action in the above-referenced application, dated October 1, 1997 and requiring a reply before January 1, 1998 was never received, as evidenced by a lack of entry in our Jurivox system for the above-referenced application and as illustrated in the enclosed docket report copy showing all replies docketed for the corresponding reply period.

(4) If an Office Action in the above-referenced application had been received, it would have been entered into our Jurivox system.

(5) Abandonment of the above-referenced application due to non-reply to the Office Action was unintentional due to the lack of receipt of the said Office Action.

(6) I, the undersigned, declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C §1001 of the United States Code and that such willful false statements may jeopardize the validity of any patent issued for the above-referenced patent application.
